

Parking Guidelines

- All guests parking on campus are required to have a parking permit displayed on their vehicle's dash.
- If a guest/attendee is picking up their pre-ordered parking pass on the day of registration, they are encouraged to purchase a temporary permit from a parking kiosk (located in PS3 for East Side Residential Halls, PS7 for University Towers, Lot 12 for Chapultepec)
- Parking passes purchased are not valid at the South Campus Plaza Parking Structure
- If a guest/attendee is paying for their own parking, they are encouraged to purchase a permit from a parking kiosk (located in PS3 for East Side Residential Halls, PS7 for University Towers, Lot 12 for Chapultepec). PS3 and PS7 sell overnight permits for \$19.
- Parking requests are required 10 business days prior to arrival
- Any late requests can take 2 – 3 business days to process
- Parking permits are not valid in Faculty/Staff (green), Special Permit (white) or Vendor (yellow) spaces. These will be designated by the color indicated stripe across the parking space.
- For groups staying in the East Side Residential Halls (Cuicacalli Suites, Maya, Olmeca, Tenochca and Zura) overnight guests are encouraged to park in PS4. If guests are not overnight, PS4 or PS3 are recommended.
- SDSU parking lot and structure passes are not valid at University Towers. University Towers parking passes are not valid in the SDSU parking lots or structures (only the lot connected adjacent to the University Towers building).
- For groups staying in University Towers Residential Hall, overnight guests (without pre-purchased passes valid at University Towers) are encouraged to park in PS7.
- For groups staying in Chapultepec Residential Hall, overnight guests are encouraged to park in PS9.
- For nights that there are special events happening on campus, any summer conference group will need to have an overnight parking pass already purchased, or will pay the event parking fee (typically \$15). Also, for these days/evenings, traffic will be congested and delayed. For more specific date information, ask your conference services manager.
- Group leaders are responsible for communicating these guidelines to all participants in their program.

Specific information can be found on the Parking Services website:
